<b>5</b>	A	There are two things I would do when my friends are tired or depressed. Firstly, I would listen to them with empathy and offer words of comfort. It's important to let them know that I'm there for them and that they can confide in me without judgment. Sometimes, they just need to vent and feel heard. Secondly, I would suggest doing something uplifting together. This could be anything such as going for a walk or bike ride, watching a funny movie, or playing a game. Engaging in enjoyable activities can help take their minds off their worries and give them a chance to relax. ( 104 words )	<input type="checkbox"/>
	B	You can promote good quality sleep in two ways. First, you should get some exercise on a regular basis. Moderate exercise helps you relieve stress and makes you feel tired and sleepy. On the other hand, if you are physically inactive in the daytime, you have difficulty falling asleep and sleeping well. Second, you should create a good sleeping environment. This can include factors such as keeping the bedroom dark, quiet, and cool. It can also involve avoiding using digital devices before going to bed and investing in a comfortable pillow. In a suitable environment it is easier to fall asleep and stay asleep throughout the night. ( 107 words )	<input type="checkbox"/>
